ST PAUL'S, BRISTOL - MAJOR REPAIRS

Legend

Major Intervention Works

Includes, for example, dismantling of stone parapets and pinnacles and renewal of some individual stones (original stone was retained and repaired wherever possible); renewal of sections of decorative plaster and renewal of lead parapet gutters and provision of new cast iron hopper heads and downpipes.

Conservation Works

Includes, for example, mortar repairs and repointing of stonework, repairs and cleaning of stained glass windows (to include renewal of missing or broken glass) and repairs to decorative plasterwork (such as replacing small lost sections to frieze).

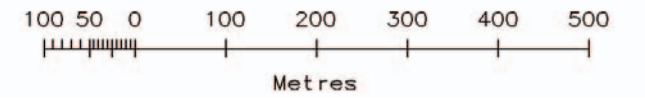

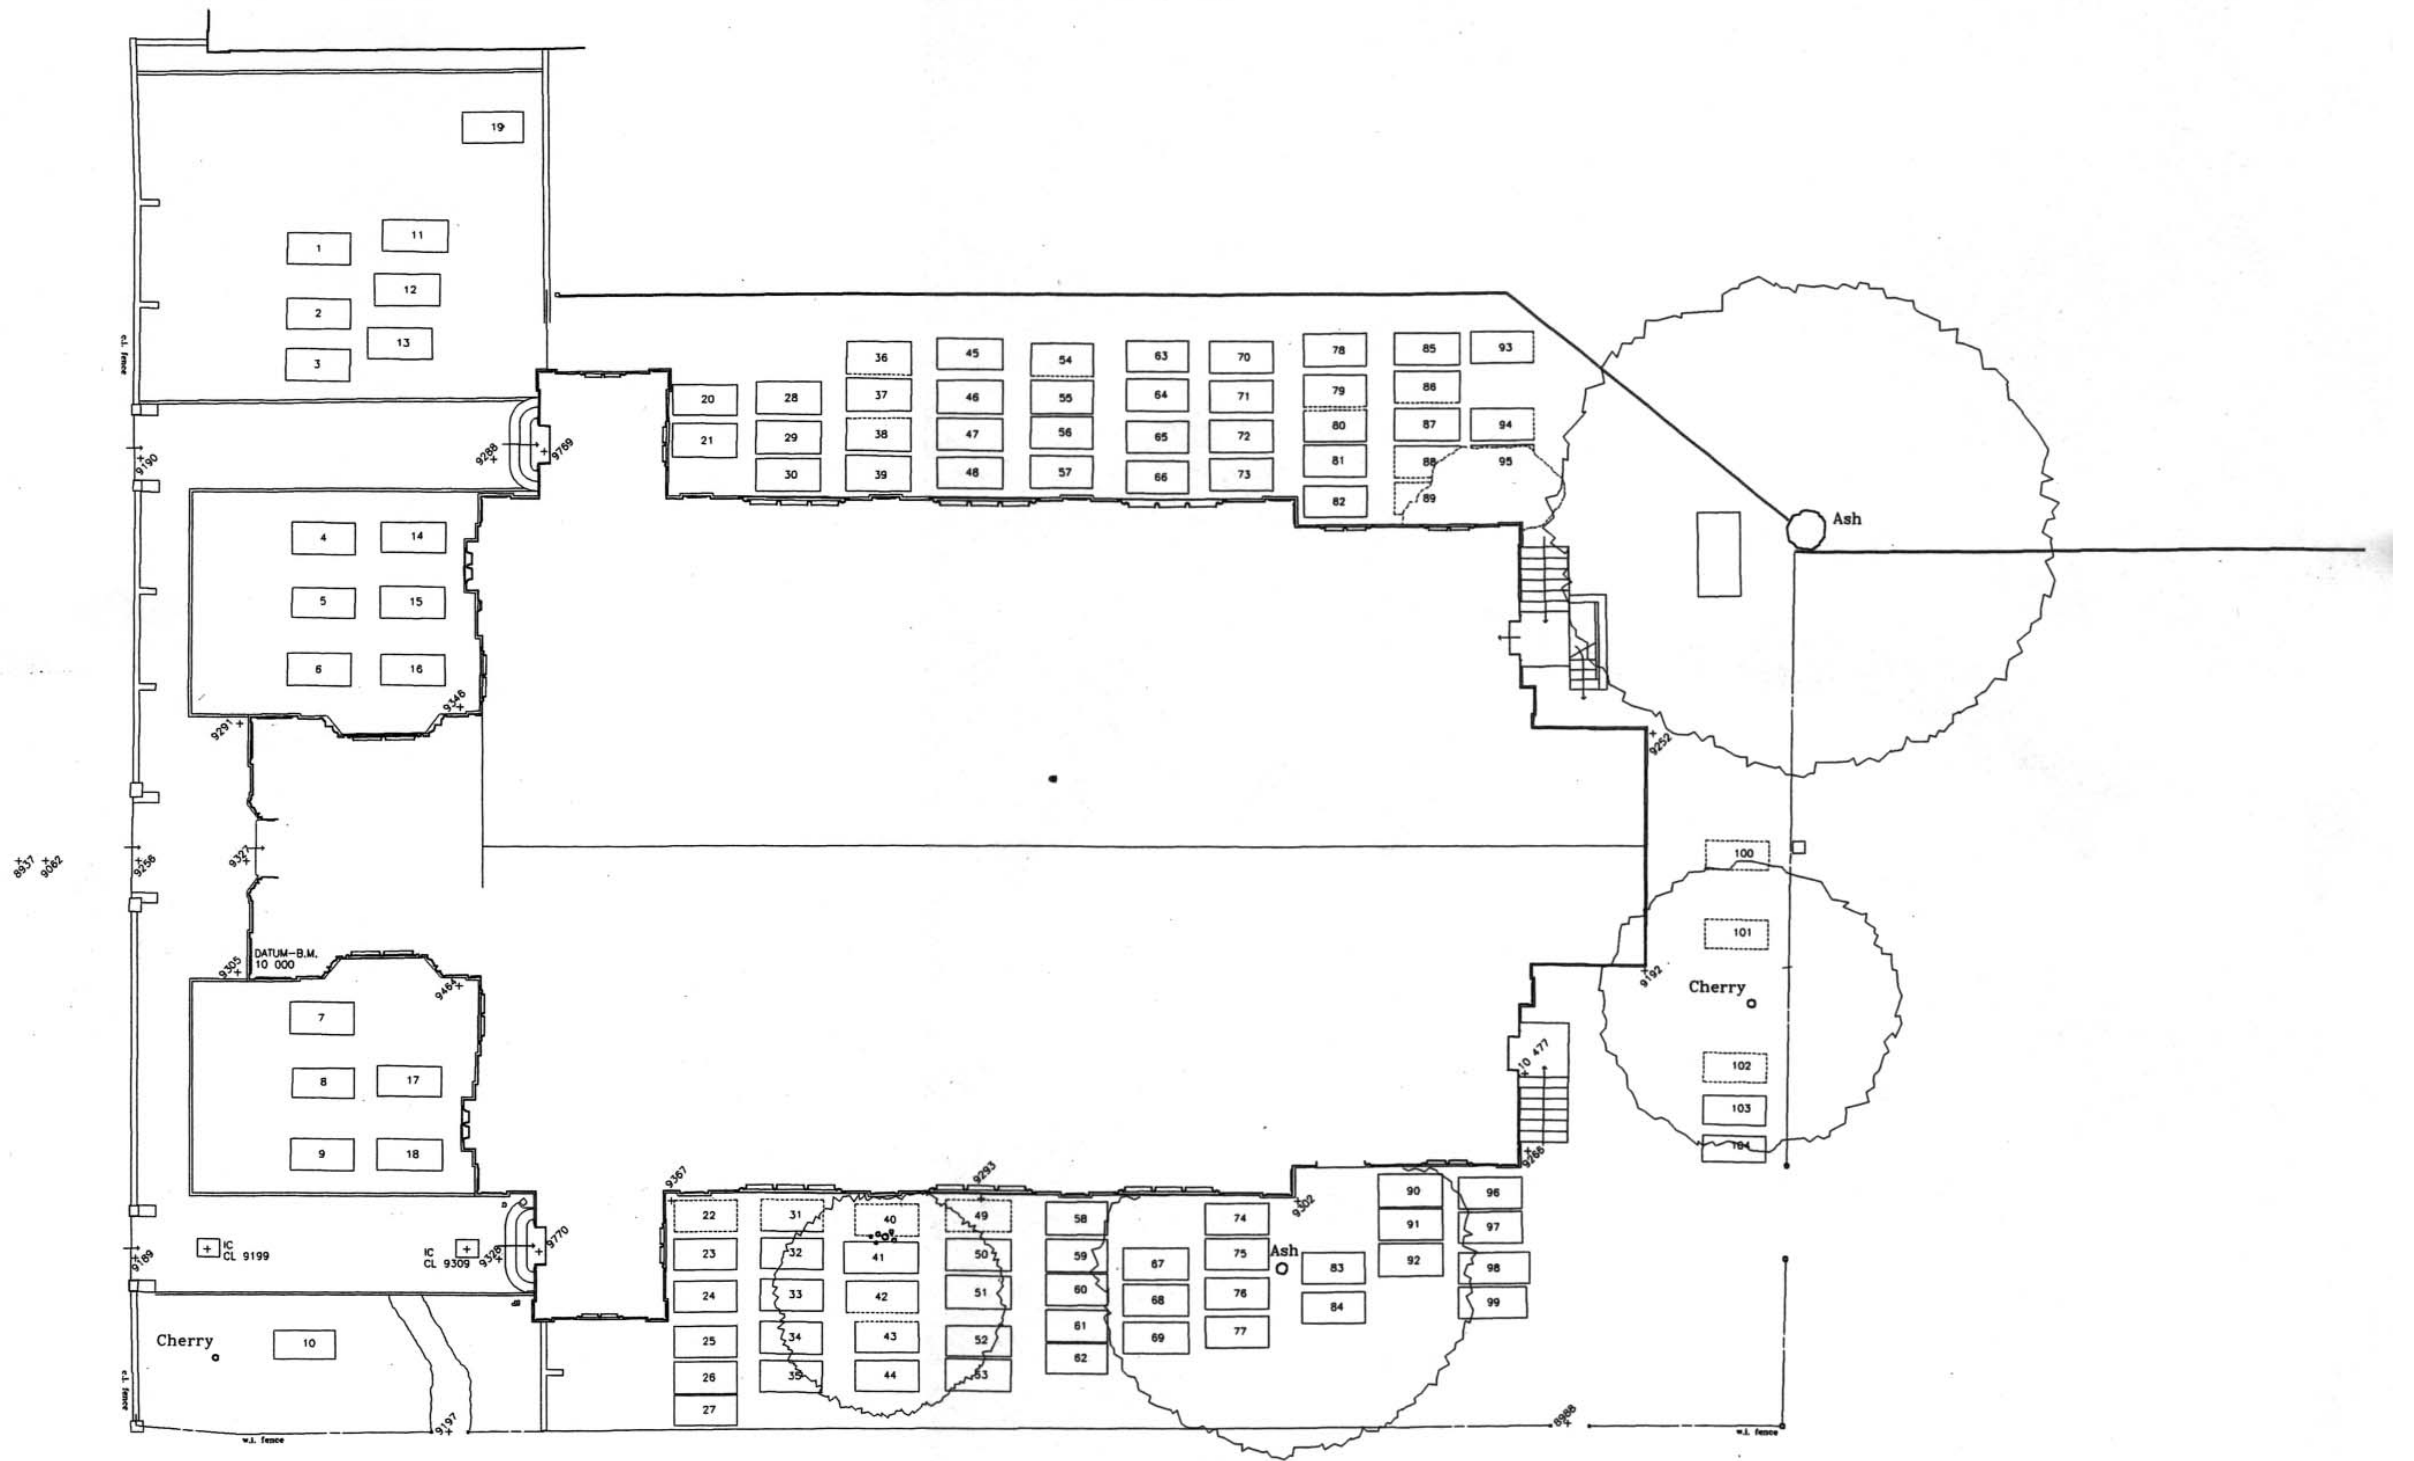

Renewal of Roof Covering

Using mostly new Welsh slate and including carpentry repairs and strengthening works to roof structure.
